Email: pomai@pomai.com

**The artist:** The Big Island's own Pōmaika'i Brown - star of stage and screen as actor ("50 First Dates," "Hawaii Five-O"), emcee (the Paradise Cove lu'au), and musician (featured at the Mauna Kea Beach Hotel, Waikoloa Beach Marriott, and the Halekulani Hotel's House Without A Key).

**The concept:** An album of duets with his Hawaiian music heroes - just two voices around the piano, as intimate as it gets.

**The duet partners:** Such legends as Danny Kaleikini, Marlene Sai, Gary Aiko, Wehilani Ching, Pudgie Young, Gary Haleamau, Hiram Olsen, Kaipo Asing, Elaine Ako Spencer, Sam Kapu, Jr., Ocean Kaowili, and more!

**The songs:** Classics of the Hawaiian repertoire along with a few long-forgotten gems.

And with the piano stylings of Dan Del Negro and the production magic of Dave Tucciarone, these songs will become the centerpiece for evenings by the fire sipping a glass of bubbly and reminiscing about a bygone era in Hawai'i - whether near or far.

Collectible limited edition CD (only **500 copies** worldwide) available now with digital downloads at Amazon.com, iTunes, and CD Baby to follow.
